Honorable William J. Casey  
 Director of Central Intelligence  
 Washington, D. C. 20505

Dear Mr. Casey:

In his November 12 press conference, the President, in commenting on whether there was evidence of foreign involvement in the U.S. peace movement, said, "Yes, there is plenty of evidence." He added later, "But, yes, there has been, in the organization of some of the big demonstrations, the one in New York, and so forth, there is no question about foreign agents that were sent to help instigate and help create and keep such a movement going."

I would appreciate receiving a presentation of all available intelligence information which supports this judgment of the President's.

Sincerely,

Lee H. Hamilton  
 Member of Congress
